## Campus Life and Program Excursions for Summer 2023

Philadelphia has something for everyone! The University of Pennsylvania is located in the vibrant and diverse city of Philadelphia. Outside of class, immerse yourself in Philadelphia's history and culture with supervised visits to art museums, parks, historic sites, and more.

Take a walk down **Locust Walk** in the heart of campus, visit Ben on the Bench, or admire the campus architecture and tree-lined walkways. Penn is known for its extraordinary athletic and recreational facilities, too. Organize pick-up games or play tennis with a friend at the Hamlin Tennis Center. Become part of the tradition and history that is Penn!
