

Junior Discovery at UCLA

Campus Life & Guided Activities

After class, explore campus with a group of friends or **soak up some sun by the Sunset Canyon Recreation Center pool**. Follow in the footsteps of fame with our organized trips to TCL Chinese Theater and Hollywood & Highland. Shoot some hoops at the John Wooden Sports and Recreation Center – and maybe even run into some NBA legends and UCLA alums while you are at it!

Our students live in their own air conditioned residence hall in Centennial Hall. Whether you're watching a movie or working on a group project, it's great to live with your friends. And if you have any questions, your resident counselor (RC) lives down the hall and is there for you, 24/7.

Just outside our door is Los Angeles, the entertainment capital of the world. You'll enjoy guided exploration of the city famous for theme parks, television and movie studios, theaters, museums and more. We'll organize trips to discover the neighborhoods of L.A., which include Hollywood, Beverly Hills, Santa Monica, and Melrose. Prefer the outdoors? Los Angeles has some of America's greatest beaches which are included in our trips. We can't wait to see you there.
