Campus Life & Activities

Our students live in their own air-conditioned residence hall in **Rieber Vista**, a short walk to the Sunset Rec Pool and Hitch Basketball courts. **This residence hall is exclusive to Summer Discovery students**, so you can get to know your peers in a comfortable setting that's separate from the university students. Whether you're watching a movie or working on a group project, it's great to live with your friends. And if you have any questions, your resident counselor (RC) lives down the hall and is there for you, 24/7.

Just outside our door is **Los Angeles, the entertainment capital of the world**. Explore the city famous for theme parks, television and movie studios, theaters, museums and more. Discover the neighborhoods of L.A., which include Hollywood, Beverly Hills, Santa Monica, and Melrose. Prefer the outdoors? Los Angeles has some of America's greatest beaches. Spend your summer discovering everything that Los Angeles can offer. **It's all included in your tuition** and with class ending daily at 3:00pm, the possibilities are endless.
