For Summer Discovery international students needing to do a wire transfer for payment, please follow these steps:

1. Go to: <https://www.flywire.com/school/summerdiscovery>
2. Create a Flywire account
3. Follow the steps on screen to start a wire transfer to Summer Discovery
4. You will need your Student Account Number, located in the upper left of your invoice.

With FlyWire by Peer Transfer you will be able to have the following payment benefits:

1. Make a payment in your local currency with a local bank; therefore eliminating the intermediary bank (which may charge additional bank fees).
2. Best Price Guarantee: <https://www.flywire.com/priceguarantee>; Get the best currency exchange rate with a guarantee that if you get a better rate within in 4 hours of the initial rate quote, Peer Transfer will match the rate and also send you a \$25 Amazon.com gift card.
3. You will be provided with clear and concise instructions and a letter of intent to provide at your local bank to perform the wire transfer.
4. If your local currency is not a supported currency (peertransfer.com/currency) you will still have a clear and concise letter and instructions to take to your local bank to perform the wire transfer.
5. Have the ability to track your payment and receive confirmation of when it is received by Summer Discovery Programs.
6. 24 Hour customer service (in your native language) while making the wire transfer through Peer Transfer: <https://www.flywire.com/help>
